: Director of Training

Office Memorandum • United States Government

TO :	Director of Training	- DATE: 18 September 1952
FROM:	Chief, Intelligence Training Division	25X1
	Weekly Report, 15-18 September	
	sopolog 25-20 Soptemer	25X1
, and	l. The fifth course of the Intelligence with trainees enrolled. of the are from other CIA Offices.	School opened on 16 September trainees are J.O.T's and
	Psychological Staff to discuss the final exami group of trainees. We had submitted a copy of examination results to the Psychological Staff Cur meeting opened with a discussion of the obadministering the final examination. These obwere principally three: (a) to test the extematter of the course had been absorbed; (b) to of our teaching, and (c) to provide an additionent of individual trainees for placement purp Staff seemed to believe that an examination althe kind we gave was satisfactory in meeting to psychologists gave us some suggestions about to the them to come to any firm conclusions about of parts of the examination. The school staff practices under regular review and to use the psychologists.	nation given to the last the examination and the for analysis and criticism. jectives we had in mind in25X jectives, we submitted, ant to which the subject measure the effectiveness nal guide for the assess— oses. The Psychological ong the general lines of hese objectives. The est construction and ways uld be improved. They sented too small a sample the validity and reliability
Psychological Staff as much as possible. 3. The Reading Improvement Laboratory currently has students in attendance each day. Four new classes started on 15 September. The persons in attendance were distributed as follows:		
	0830-0930 Professional Trainees 1000-1100 Covert Training 1100-1200 Agency Class	students students students students
	1400-1500 Make-up Class	students 25X1
the Reading Lab on 17 September.
